

We are pleased to introduce LaserEdge Plus™

A new line of disposable knives that will replace the
LaserEdge® knives currently offered.

**The new LaserEdge Plus™ knives will feature new
blades on our most popular designs.**

IMPORTANT TO KNOW:

- The new LaserEdge Plus™ knives will have revised reference numbers, based on the current product reference number.
(e.g. LaserEdge® knife, E7515, will update to LaserEdge Plus™ knife, LP7515).
- All LaserEdge® customers will be transitioned to the new LaserEdge Plus™ knives as inventory becomes available (expected second quarter of 2018).
- The new LaserEdge Plus™ knives will be priced the same as our current line of LaserEdge® products.

Should you have any questions or comments regarding these products, or any other aspect of our surgical portfolio, please contact us directly via Bausch + Lomb Customer Service or by reaching out to your Surgical Territory Manager.
